REPLACEMENT PRELIMINARY AMENDMENT

And

Rule 173(c) STATEMENT

This REPLACEMENT PRELIMINARY AMENDMENT is filed pursuant to M.P.E.P. § 1453 (2002) and 37 C.F.R. 1.173.

25 A PRELIMINARY AMENDMENT was filed in this case 30 June 2003. A CERTIFICATE OF CORRECTION has just been issued for this patent. I enclose a copy. The CERTIFICATE OF CORRECTION changes the wording of certain claims discussed in the previously-filed PRELIMINARY AMENDMENT. Applicant accordingly recites the new claim language in this PRELIMINARY AMENDMENT. Applicant respectfully requests the Office withdraw the previously-filed PRELIMINARY AMENDMENT and replace it with the immediate one. This appears to create
30 not burden on the Office, because the Examiner has not yet examined the claims recited in the PRELIMINARY AMENDMENT.

This Amendment is formatted pursuant to 37 C.F.R. 1.173.

Amendments to the Claims are reflected on a separate page of this paper. Inserted claim text is underlined.

35 Remarks / Arguments are reflected on a separate page of this paper.
